4. How far has the industrialisation of Outer Mongolia gone ? - either in regard to processing locally its agricultural raw materials or prospecting and development of mineral and other natural resources ?
5. Are there any traces in Outer Mongolia of pan-Mongol sentiments, or evidence of a desire to absorb Inner Mongolia or the Mongol provinces of Manchuria with or without Soviet assistance.
6. What is the state of literacy and education generally ? To what extent are young Mongols being given professional and technical education in the U.S.S.R.
7. Have the lamas and lamaseries been physically liquidated or do the former still exist in sufficient numbers, though severely restricted in power and possessions, to be used as political pawns by the Kremlin in Tibet or other Buddhist countries ?
8. How far has Marx-Leninism permeated the Mongol psyche and tradition ?
9. What is the position of the former Chinese Communities in Outer Mongolia ? is there any information regarding relations (if any?) between Communist China and Outer Mongolia today ?
